## Supporter Status Confirmation

The South Tyrol Free Software Conference, SFSCON, is one of Europe's most established annual conferences on **Free Software**. SFSCON promotes the use of Free Software in digital infrastructures as a tool to **achieve greater innovation** and **competitiveness**. Here **decision-makers** and **developers** meet, learn and get inspired.

This document defines the guidelines for contributing to **SFSCON**. SFSCON will take place in blended mode or, if conditions make it necessary, online only.

As a Supporter, you can choose from four different ways of supporting the event\*:
